

Horanburg, Michael Sep 26

to me

Roger,

I sent out another list of questions for the developer to answer for me, asking for specific items including time frames. When I receive the response to those questions, I will send something out. This is an issue we want to know more about as well. Please do not hesitate to call or email me at any time.

Appreciate your help on this, hopefully we hear something soon.

Thank you,

Michael G. Horanburg
