A corner lot is one which abuts on more than one street, and in the absence of any other designation, shall be deemed to front on the street on which it has its greater dimensions; but the Grantor reserves the right, through the Architectural Control Committee to designate the street on which any corner lot shall be deemed to front.

3. ARCHITECTURAL CONTROL COMMITTEE

An Architectural Control Committee, hereinafter referred to as "Committee", is hereby established and shall be comprised of not less than three (3) nor more than seven (7) persons, who shall be appointed by the Grantor to serve for a period of ten years from the date hereof and until their successors shall be appointed and qualify. Vacancies occurring either before the end of or as a result of the expiration of such ten year term shall be filled by the members of the Committee, provided by within thirty days of any appointment, owners of a majority of the residential lots may select other appointee in their stead. Any two members shall be able to act on the behalf of the Committee.

BEFORE ANYONE SHALL COMMENCE THE CONSTRUCTION, REMODELING, ADDITION TO, OR ALTERATION OF ANY BUILDING, SWIMMING POOL, WALL, FENCE, TANK, OR OTHER STRUCTURE WHATSOEVER, ON ANY LOT, THERE SHALL BE SUBMITTED TO THE GRANTOR FOR TRANSMITTAL TO THE ARCHITECTURAL CONTROL COMMITTEE:

- (a) preliminary floor plans, elevations and location of the structure on the lot;
- (b) after approval of preliminary plans, two complete sets of the final plans and specifications for said work.

No structure or improvement of any kind shall be erected, altered, placed or maintained upon any lot unless and until the final plans, elevations and specifications therefore have received such written approval as herein provided. At the time of submission of the plans and specifications as set forth herein, the owner shall cause to be paid to the Grantor an initial charge in the amount of \$25.00. The Committee shall approve or disapprove said plans and specifications within thirty days from the receipt thereof. One set of said plans and specifications with the Committee's approval or disapproval endorsed thereon

shall be returned to the owner and the other copy thereof shall be retained by the Grantor.

The Committee shall have the right to disapprove any plans, specifications or details submitted to it as aforesaid, in the event such plans and specifications are not in accord with all the provisions of this declaration, or if a design or color scheme in the proposed structure is not in harmony with the general surroundings of such lot or the adjacent structure, or if the structure shall unduly interfere with the view from nearby residences, or if the plans and specifications submitted are incomplete, or if the Committee deems said plans and specifications to be contrary to the spirit and intent of these restrictive covenants, or contrary to the interest and the welfare and rights of all or any part of the Nineteenth Installment of Four Hills Village. The decision of the Committee in any of these matters shall be final, and no building or improvement of any kind shall be constructed or placed upon any lot in the Nineteenth Installment of Four Hills Village without the prior written consent of the Committee.
