

**CITY OF ALBUQUERQUE
DEPARTMENT OF MUNICIPAL DEVELOPMENT**

**PUBLIC INVOLVEMENT MEETING
Four Hills NTMP Study**

Timothy Keller, Mayor

The City of Albuquerque is planning to discuss a Neighborhood Traffic study to install traffic calming measures on problem areas within the Four Hills development. The project will decrease the speeds encountered on this street segment as well as address any other needs necessary. This is an opportunity for the public to ask questions, and provide input to the City.

Computer Access: We understand during this time that a public meeting cannot be hosted due to social distancing regulations. If you're requesting more information regarding this project and do not have computer access please email NTMP@cabq.gov and include your mailing address.

Public Meeting

Tuesday, October 26th, 2021
6:00 PM to 7:00 PM
