November 5, 2005

Dear Mr. Sanchez:

Except for the three lots in the northwest corner of the Reserve installment in Four Hills, construction and sales of homes was completed several months ago. Pulte has effectively discontinued its responsibilities for architectural control and enforcement of covenants. Therefore, the Four Hills Village Homeowners' Association will assume full authority and responsibility for architectural control, enforcement of covenants, and responding to zoning and other complaints of those residents and our members who live in the vicinity of the Reserve installment as of November 15, 2005.

If you have any questions, please call me at 280-9517.

Sincerely,

Jim Grout
President
